# FAS USER MANUAL

## FAS DATA AVAILABLE ON IBIS

The FAS Property File, Funding Sources, Optional Funding Sources, and Location1 table data are now available through IBIS.

Figure 1 - FAS on IBIS

Open Query or Report Studio and FAS will be displayed in the left hand Menu.

IBIS (Idaho Business Intelligence Solution) is a robust reporting application allowing state agencies to have secure, organized access to EIS and STARS data. For more information contact the Division of Statewide Accounting Customer Support at dsahelp@scs.idaho.gov or (208) 332-8827.
